

Pioneer of Clean India: Sant Gadge Maharaj

Pavan kumar Vishwakarma

Sant Gadge Maharaj was the real well wisher of mankind, whatever done by him in form of Swachh Bharat that is amazing task. Baba ji always favor cleanliness activities like cleaning the villages and streets. He also discusses his ideas in favor of cleanliness of mind, cleanliness of hearts and also cleanliness false ideas and own self clear vision and thoughts. Gadge Maharaj was the first Sant who just thought like this, for swachh Bharat.he established the first bricks of *Sweachhta* in India, which results can be seen at this time in 21st century. The clean India campaign laid by Sant Gadge Maharaj in 19th century, which is still in its ongoing form, the dream of Baba Gadge is being true rapidly. The government of Maharastra has taken great initiatives of Baba Gadge's ideas of cleanliness, which is really very useful to the state government and as well as central government also. Baba Gadge founded more than 100 institutions, including 31 educational institutions. Later, the government formed a trust to preserve these institutions.
